GENERAL FUNCTION

The **Consultant** is responsible for developing and assisting with the implementation of curriculum goals, strategies, evaluations materials, other support materials and appropriate in-service programs as determined by District needs, goals and priorities.

The incumbent is responsible to follow all policies and guidelines as detailed by District policy.

ESSENTIAL FUNCTIONS

- Assist District administrators in preparing materials and reports, presenting reports, making recommendations and responding to requests from the Board of Education.
- Assist in the interpretation and dissemination of educational programs to employees and patrons.
- Assist in the presentation of District problems and concerns to the community, assist in responding to community problems and concerns and assist in the utilization of parent and community volunteers.
- Administer personnel policies and procedures. May be responsible to supervise and evaluate support staff and provide input into employee performance improvement.
- Assist in planning and directing in-service and staff development programs as directed by the administrator. Assist in implementing, monitoring and assessing approved instructional programs through effective utilization of data analysis.
- Assist in the management and monitoring of District, State and Federal programs and projects as assigned and ensure compliance.
- Manage appropriate budget allocations to provide fiscal accountability in the department.
- May perform one or more of the following specific duties as assigned (e.g. assist in managing inventories of instruction-related materials; assist in coordinating programs and materials with the Utah State Office of Education; assist in managing the reproduction of printed materials; assist in the management of the evaluation and reporting of student progress and in the coordination, distribution and utilization of instructional media materials as assigned; prepare monthly and yearly enrollment reports; coordinate with community leaders, real estate agencies and other agencies regarding population growth and subdivision development to determine the impact to student enrollment; provide information to administration to plan for recommend future school sites/boundaries; assist principals and teachers with state and District assessments, data analysis and adjusting instruction to meet student needs; ensure compliance with Health Department Early Intervention guidelines and IDEA rules and regulations; assist with technical support for offices and schools including installation, set-up and configuration, troubleshooting and solving technical problems with

computer systems, computer labs, networks and other instructional technology; provide advice on instructional and technical issues related to integrating technology into the core curriculum including those of pedagogical nature as well as hardware, software, network and other building / facility impacts and requirements; ensure proper student accounting procedures are implemented, including use and retention of permanent records; etc.)

- Assist in the development, implementation and evaluation of short and long-range plans. Implement short and long-range planning procedures, management systems and accountability procedures as assigned.
- Support and promote the District's Multi-tiered Support Professional Learning Community Model (PLC).
- Collaborate, problem solve and mediate with parents, staff and outside agencies.
- This position requires punctual and regular daily attendance.

NON-ESSENTIAL FUNCTIONS

- Keep current professionally, to represent the district at local, State and national meetings, to contribute to the profession by writing and speaking professionally and participate in appropriate professional organizations as assigned.
- Other duties as assigned.

- This description should not be construed to contain every function/responsibility that may be required to be performed by an incumbent assigned to this position.
- Incumbent is required to perform other related functions as assigned. Other related functions can be performed for no more than 20% of an employee's normal workweek (i.e. eight (8) hours per week, or thirty-two (32) hours per month).

QUALIFICATION REQUIREMENTS
