DICTOGRAPHS

OBJECTIVE: The student will identify the meanings of certain words to develop verbal fluency.

MATERIALS NEEDED:

1. Word list (teacher use).
2. 9 X 12 Art paper.
3. Crayons.

PROCEDURE:

1. Choose a word from the list and write it on the board.
2. Talk about what it means.
3. Use the word in some sentences.
4. Using the other words on the list, one at a time, have the students try to use the words in a sentence.
5. Have the students draw what the word means to them.
6. Have the students share their drawings with each other to evaluate.
7. Post or collect the papers for teacher evaluation. Be sure each is properly identified.
