LIKENESSES AND DIFFERENCES

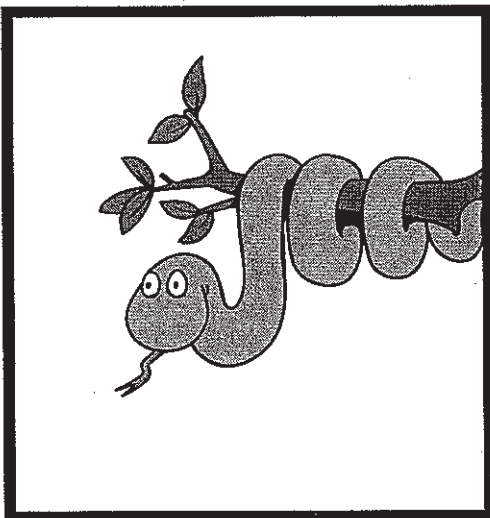

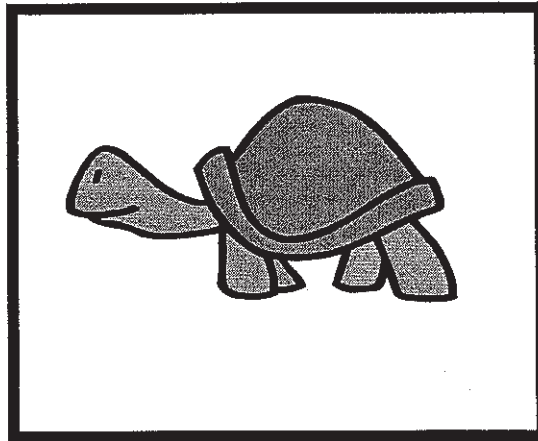

OBJECTIVE: The student will identify the likenesses and differences between simple objects.

MATERIALS NEEDED:

1. 9" X 12" art paper for each student.
2. Examples of simple drawings.
3. Worksheet for each student (optional).
4. Transparency and overhead projector (optional).

Same

both are reptiles
both have scales
both move slowly

Different

snakes slither
turtles walk
turtles have shells
