TIME: 30 - 40 min.

VARIOUS ILLNESSES

OBJECTIVE: The student will learn more about illnesses by sharing and drawing.

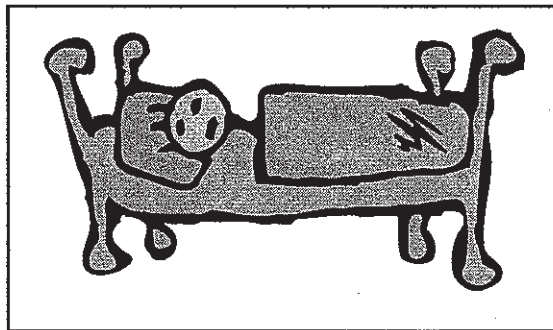

MATERIALS NEEDED:

1. Art paper.
2. Crayons.

PROCEDURE:

1. Have the students tell the various illnesses that they have had.
2. Write them on the board (such as flu, measles, colds).
3. Have the children draw pictures of themselves showing their symptoms.
4. Remember to have them accent the illness.

EXAMPLE:

5. If you want, they may write a couplet for each picture.
6. These make a nice bulletin board.
