Administration Experience

Foothills Elementary School		
Assistant Principal		2008
Principal		2009-2014
Westland Elementary		
Principal		2014-2017

My name is Barb Yost and I have had 21 years of experience teaching and as an administrator in Jordan School District. I taught 6th grade for 9 years and 1st grade for 2 years before applying to the BYU Administrative program in 2007.

I was an assistant principal with Kyle Hansen at Foothills and then became principal after he left for a district position in HR. I was at Foothills for 5 years and then moved to Westland Elementary before retiring from education. I have experience with Language Immersion programs and Alps. I am interested in subbing at the elementary school level.

I have a blended family that is a huge source of pride and joy. Our family has grown from 9 to 24 with spouses, and grandkids. We enjoy family BBQ's by the pool, hiking together and competitive game nights.

I enjoy many outdoor sports and activities including skiing, hiking, golf and biking. I've had the opportunity to travel the last few years and really enjoy experiencing new cultures, customs and traditions. I'm looking forward to being back in the schools. I've admired the teachers, staff and administrators of our schools as they have navigated these interesting and difficult few years. I hope to be of service.
