- "Class" is defined as an assigned instructional period in which graded instruction is provided to students by the teacher of record. Only periods meeting this definition qualify for extended day. Positions that do not serve as the teacher of record for a class period, including but not limited to counselors, instructional coaches, teacher specialists, athletic directors and other non-classroom roles, are not eligible for extended day periods.

- TA classes are within the contract day and will not be figured as a part of FTE (0050)
- Traveling teachers are to be paid (0.125) for travel time when teaching at both schools during the same day.
- Assistants in Lieu (17 hrs.) equals 0.167 FTE when using 0050 and must be pre-approved.
- 17 hr. (.167) assistants are 0.430 FTE when using funds other than 0050. (Trust Land, etc.)
- Teachers teaching two (2) or less periods are hourly employees.

\*Extended day periods funded through the 0050 budget are charged at .125 FTE per period; all other budget sources are charged at .167 FTE per period.
