

My name is Jerri Crawford and I am currently an Administrative Substitute for JSD. July 5th marks my ninth year with JSD. I spent 29 years in Clark County, Nevada (CCSD) serving as a classroom teacher, special education teacher specialist, building principal, and Director of Educational Leadership in the Human Resources Department. I earned my Bachelor's Degree in Early Childhood and General Education from Northern Arizona University, my Master's Degree in Special Education, and my Administrative Credential from the University of Nevada-Las Vegas (UNLV). I also received my Doctorate in Educational Leadership from UNLV. My experience spans a variety of populations, working with at-risk populations, special education students, and schools with both high multilingual learner and socio-economically disadvantaged populations, in addition to working with gifted and talented learners. While in JSD I served as an assistant principal at a variety of schools, most recently at Oquirrh Elementary School. I enjoy working with at-risk populations and those with significant social-emotional challenges.
