Kim is a previous elementary level administrator with experience at both schools and District Office. She has 9 years of administrative experience and 17 years of experience in the classroom. As a Jordan School District alumna, she is committed to maintaining a strong school culture, supporting staff, and ensuring continuity for students. She has developed deep, personal ties to the district and its communities and is excited to return as an administrative substitute.

In her newly retired free time, Kim can often be found watching *The Young & The Restless*, sleeping in or shopping with “the girls” and going out to lunch. But this busy schedule would never keep her from any opportunities to assist at your school. She will be sure to bring tons of energy, knowledge and fun along with her. Just be sure to leave her a few pieces of chocolate and you’ll have a friend for life!
